Welcome to Millersylvania

Officially designated in 1924, Millersylvania State Park was further developed almost entirely by hand in the 1930s by the Civilian Conservation Corps. This 900-acre camping park features 3,300 feet of freshwater shoreline on Deep Lake. The historic park, filled with trails, is nestled in broad stands of old-growth cedar and fir trees. Deep Lake, located on the property, attracts boaters, swimmers and anglers. The state capital is a few miles north of the park.

Visitors may enjoy a variety of recreational activities, including mountain biking, hiking, fishing, swimming, boating, bird watching and picnicking.

Overnight accommodations

The park offers several options for overnight stays. There are 93 standard campsites and 45 utility sites that accommodate RVs up to 60 feet long. Campsites may be reserved online or by calling (888) CAMPOUT or (888) 226-7688.

Are you looking for the comforts of home while still being able to enjoy all nature has to offer? Millersylvania State Park features the Lakeside Cottage. The cottage sits in a lovely and private setting on the shore of Deep Lake, with scenic views of the water. Originally built in the 1920s, this charming two-story cottage has been refurbished and decorated, offering great comfort in an idyllic park setting. The main floor of the house has a living room, fully equipped kitchen and bathroom. Up to six guests can be accommodated, with a master bedroom on the main floor and an open loft upstairs for indoor activities and relaxation, with cozy alcoves for sleeping. Bed linens are provided.

A group camp accommodates 20 to 40 guests (tent camping only). Kitchen shelter #4 is in the group camp and features a wood stove, sink and electrical outlets. The group camp and kitchen shelter #4 rent together for fees that vary with the size of the group. A standard restroom is nearby.

The park also offers a retreat center for group rental year round. The retreat center accommodates up to 150 guests and features a dining hall with fully equipped kitchen; 16 heated cabins with 8 beds each; three staff cabins with 8 beds each and a bathroom; sheltered outdoor classroom; amphitheater for activities; restrooms and showers nearby. The lodge and cook's cabin are accessible to people with disabilities. Kitchen linens and bed linens are not provided.

Park history

The park was originally called "Miller's Glade" by the Miller family, who once owned the property. The family later changed the name to "Millersylvania," meaning "wooded glade." The park's land was homesteaded by Squire Lathum in 1855 before being sold to John Miller.

Miller's family gave the property to the state in 1921, stipulating that the land must forever be used as a park.

The buildings at Millersylvania were constructed in 1935 almost entirely by hand by the Civilian Conservation Corps. Relics of a narrow-gauge railroad, and several skid roads used in the 1800s by the logging industry, remain on park grounds. Stumps of trees still carry notch scars where springboards supported brawny loggers.

Park amenities and facilities

Millersylvania State Park offers several amenities and facilities to make your visit more enjoyable and comfortable, including:

- Four kitchen shelters with electricity (one is rented with group camp)
- 125 unsheltered picnic tables and 30 sheltered picnic tables
- Boat ramp with 100 feet of dock (hand-type boat launch)
- Amphitheater
- Three fire circles
- Two horseshoe pits
- Modern restrooms with hot showers
- Seasonal concessions for food/drink, boat rentals, and glamping accommodations
- Trailer dump station
- 8.6 miles of pedestrian trails and 7.6 miles of biking trails

Welcome. Please remember a Discover Pass is required to visit a state park or other state-managed recreation lands.

Revenue from Discover Pass replaces general fund tax funding no longer available to cover the cost of operations.
