QUESTIONS AND ANSWERS FROM INTERESTED BIDDER FIRMS:

Question 1: Hi we are interested in bidding this project however we are unfamiliar with the state park formatting.

Answer 1: *The bid documents come with a checklist to help you gather all the required materials from the bidder. Please ensure your bid submission is emailed to BidBox@parks.wa.gov before the deadline on November 2, 2023, by 1 pm.*

Question 2: We are still unclear on what we are bidding as there is no bid tab/any kind of measurement to construct a dollar value for this project. Is there a bid tab with the project, is there a T&M we ought to follow. I also have performance questions as well.

Answer 2: *The Statement of Work, detailed in Appendix A (page 2 of 7), outlines the location and average mileage. Also, on page (3 of 7) of Appendix A, there are descriptions of the equipment requirements. Submittal 7 of the checklist specifically requests the hourly price for each piece of equipment.*

In Appendix B of the bid documents, we have outlined specific "snow removal standards" that the contractor is required to adhere to.
