List of Landowner Permission Documents

You are required to obtain written permission from all landowners for State Parks to provide winter recreational services on land which funded activities will occur. The landowners must include approval of each groomed trail route and verification of the number of miles of groomed trails. Each landowner must complete the *Winter Recreation Use Permit*. This must be submitted with the funding application **postmarked** by **June 1, 2024**.

Land owner permission documents are attached from the following landowners:

Owners	Number of miles
1. All USFS	70
2.	
3.	
4.	
5.	
6.	
7.	

I hereby certify that all appropriate landowners have been asked for their permission to use their land for winter recreation activities, and that their permission documents have been signed and they are either attached with the funding application or received by June 1.

STATE OF WASHINGTON
 WASHINGTON STATE PARKS AND RECREATION COMMISSION
 1111 Israel Road SW P. O. Box 42650 Olympia, Washington 98504-2650 (360) 902-8500

Date: 04/07/2024
Landowner: USFS, Entiat Ranger District
Address: 2108 Entiat Way, PO Box 476
Entiat, WA 98822
Land Description: Public Access at sno-parks, and trails for winter recreation

<i>To be completed by applicant.</i>
Project Name: ENTIAT Snowmobile Grooming Program

WINTER RECREATION USE PERMIT

The Washington State Parks and Recreation Commission is required by statute to have landowner permission for winter recreation activities funded by the Commission on public and private lands.

RCW 79A.05.225(1) Plan, construct, and maintain suitable facilities for winter recreational activities on lands administered or acquired by the commission or as authorized on lands administered by other public agencies or private landowners by agreement.

RCW 4.24.200 and RCW 4.24.210 limit landowner liability.

RCW 4.24.200:

*The purpose of **RCW 4.24.200** and **4.24.210** is to encourage owners or others in lawful possession and control of land and water areas or channels to make them available to the public for recreational purposes by limiting their liability toward persons entering thereon and toward persons who may be injured or otherwise damaged by the acts or omissions of persons entering thereon.*

Please sign and date below.

By my signature, I do hereby grant permission for winter recreational activities to occur on my land, that are funded by the Washington State Parks and Recreation Commission, from date signed below to terminate on the 30th day of April of 2025.

RCW 4.24.210

Liability of owners or others in possession of land and water areas for injuries to recreation users—Known dangerous artificial latent conditions—Other limitations

(1) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowners, hydroelectric project owners, or others in lawful possession and control of any lands whether designated resource, rural, or urban, or water areas or channels and lands adjacent to such areas or channels, who allow members of the public to use them for the purposes of outdoor recreation, which term includes, but is not limited to, the cutting, gathering, and removing of firewood by private persons for their personal use without purchasing the firewood from the landowner, hunting, fishing, camping, picnicking, swimming, hiking, bicycling, skateboarding or other non-motorized wheel-based activities, aviation activities including, but not limited to, the operation of airplanes, ultra-light airplanes, hang gliders, parachutes, and paragliders, rock climbing, the riding of horses or other animals, clam digging, pleasure driving of off-road vehicles, snowmobiles, and other vehicles, boating, kayaking, canoeing, rafting, nature study, winter or water sports, viewing or enjoying historical, archaeological, scenic, or scientific sites, without charging a fee of any kind therefor, shall not be liable for unintentional injuries to such users.

(2) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowner or others in lawful possession and control of any lands whether rural or urban, or water areas or channels and lands adjacent to such areas or channels, who offer or allow such land to be used for purposes of a fish or wildlife cooperative project, or allow access to such land for cleanup of litter or other solid waste, shall not be liable for unintentional injuries to any volunteer group or to any other users.

(3) Any public or private landowner, or others in lawful possession and control of the land, may charge an administrative fee of up to twenty-five dollars for the cutting, gathering, and removing of firewood from the land.

(4)(a) Nothing in this section shall prevent the liability of a landowner or others in lawful possession and control for injuries sustained to users by reason of a known dangerous artificial latent condition for which warning signs have not been conspicuously posted.

(i) A fixed anchor used in rock climbing and put in place by someone other than a landowner is not a known dangerous artificial latent condition and a landowner under subsection (1) of this section shall not be liable for unintentional injuries resulting from the condition or use of such an anchor.

STATE OF WASHINGTON
WASHINGTON STATE PARKS AND RECREATION COMMISSION
1111 Israel Road SW P. O. Box 42650 Olympia, Washington 98504-2650 (360) 902-8500

(ii) Releasing water or flows and making waterways or channels available for kayaking, canoeing, or rafting purposes pursuant to and in substantial compliance with a hydroelectric license issued by the federal energy regulatory commission, and making adjacent lands available for purposes of allowing viewing of such activities, does not create a known dangerous artificial latent condition and hydroelectric project owners under subsection (1) of this section shall not be liable for unintentional injuries to the recreational users and observers resulting from such releases and activities.

(b) Nothing in RCW 4.24.200 and this section limits or expands in any way the doctrine of attractive nuisance.

(c) Usage by members of the public, volunteer groups, or other users is permissive and does not support any claim of adverse possession.

(5) For purposes of this section, the following are not fees:

(a) A license or permit issued for statewide use under authority of chapter 79A.05 RCW or Title 77 RCW;

(b) A pass or permit issued under RCW 79A.80.020, 79A.80.030, or 79A.80.040;

(c) A daily charge not to exceed twenty dollars per person, per day, for access to a publicly owned ORV sports park, as defined in RCW 46.09.310, or other public facility accessed by a highway, street, or nonhighway road for the purposes of off-road vehicle use; and

(d) Payments to landowners for public access from state, local, or nonprofit organizations established under department of fish and wildlife cooperative public access agreements if the landowner does not charge a fee to access the land subject to the cooperative agreement.

The Washington State Parks and Recreation Commission is required by statute to have landowner permission for winter recreation activities funded by the Commission on public and private lands.

RCW 79A.05.225(1) *Plan, construct, and maintain suitable facilities for winter recreational activities on lands administered or acquired by the commission or as authorized on lands administered by other public agencies or private landowners by agreement.*

RCW 4.24.200 and RCW 4.24.210 limit landowner liability.

RCW 4.24.200:

*The purpose of **RCW 4.24.200** and **4.24.210** is to encourage owners or others in lawful possession and control of land and water areas or channels to make them available to the public for recreational purposes by limiting their liability toward persons entering thereon and toward persons who may be injured or otherwise damaged by the acts or omissions of persons entering thereon.*

Please sign and date below.

By my signature, I do hereby grant permission for winter recreational activities to occur on my land, that are funded by the Washington State Parks and Recreation Commission, from date signed below to terminate on the 30th day of April of 2025.

Liability of owners or others in possession of land and water areas for injuries to recreation users—Known dangerous artificial latent conditions—Other limitations

(1) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowners, hydroelectric project owners, or others in lawful possession and control of any lands whether designated resource, rural, or urban, or water areas or channels and lands adjacent to such areas or channels, who allow members of the public to use them for the purposes of outdoor recreation, which term includes, but is not limited to, the cutting, gathering, and removing of firewood by private persons for their personal use without purchasing the firewood from the landowner, hunting, fishing, camping, picnicking, swimming, hiking, bicycling, skateboarding or other non-motorized wheel-based activities, aviation activities including, but not limited to, the operation of airplanes, ultra-light airplanes, hang gliders, parachutes, and paragliders, rock climbing, the riding of horses or other animals, clam digging, pleasure driving of off-road vehicles, snowmobiles, and other vehicles, boating, kayaking, canoeing, rafting, nature study, winter or water sports, viewing or enjoying historical, archaeological, scenic, or scientific sites, without charging a fee of any kind therefor, shall not be liable for unintentional injuries to such users.

(2) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowner or others in lawful possession and control of any lands whether rural or urban, or water areas or channels and lands adjacent to such areas or channels, who offer or allow such land to be used for purposes of a fish or wildlife cooperative project, or allow access to such land for cleanup of litter or other solid waste, shall not be liable for unintentional injuries to any volunteer group or to any other users.

(3) Any public or private landowner, or others in lawful possession and control of the land, may charge an administrative fee of up to twenty-five dollars for the cutting, gathering, and removing of firewood from the land.

(4)(a) Nothing in this section shall prevent the liability of a landowner or others in lawful possession and control for injuries sustained to users by reason of a known dangerous artificial latent condition for which warning signs have not been conspicuously posted.

(i) A fixed anchor used in rock climbing and put in place by someone other than a landowner is not a known dangerous artificial latent condition and a landowner under subsection (1) of this section shall not be liable for unintentional injuries resulting from the condition or use of such an anchor.

STATE OF WASHINGTON
WASHINGTON STATE PARKS AND RECREATION COMMISSION
1111 Israel Road SW P. O. Box 42650 Olympia, Washington 98504-2650 (360) 902-8500

(ii) Releasing water or flows and making waterways or channels available for kayaking, canoeing, or rafting purposes pursuant to and in substantial compliance with a hydroelectric license issued by the federal energy regulatory commission, and making adjacent lands available for purposes of allowing viewing of such activities, does not create a known dangerous artificial latent condition and hydroelectric project owners under subsection (1) of this section shall not be liable for unintentional injuries to the recreational users and observers resulting from such releases and activities.

(b) Nothing in RCW 4.24.200 and this section limits or expands in any way the doctrine of attractive nuisance.

(c) Usage by members of the public, volunteer groups, or other users is permissive and does not support any claim of adverse possession.

(5) For purposes of this section, the following are not fees:

(a) A license or permit issued for statewide use under authority of chapter 79A.05 RCW or Title 77 RCW;

(b) A pass or permit issued under RCW 79A.80.020, 79A.80.030, or 79A.80.040;

(c) A daily charge not to exceed twenty dollars per person, per day, for access to a publicly owned ORV sports park, as defined in RCW 46.09.310, or other public facility accessed by a highway, street, or nonhighway road for the purposes of off-road vehicle use; and

(d) Payments to landowners for public access from state, local, or nonprofit organizations established under department of fish and wildlife cooperative public access agreements if the landowner does not charge a fee to access the land subject to the cooperative agreement.

List of Landowner Permission Documents

You are required to obtain written permission from all landowners for State Parks to provide winter recreational services on land which funded activities will occur. The landowners must include approval of each groomed trail route and verification of the number of miles of groomed trails. Each landowner must complete the *Winter Recreation Use Permit*. This must be submitted with the funding application **postmarked** by **June 1, 2024**.

Land owner permission documents are attached from the following landowners:

Owners	Number of miles
1. USFS	70
2.	
3.	
4.	
5.	
6.	
7.	

I hereby certify that all appropriate landowners have been asked for their permission to use their land for winter recreation activities, and that their permission documents have been signed and they are either attached with the funding application or received by June 1.

1) Total Trail map miles: 359

2) Actual groomed miles for last season: 1138

3) Were all trails identified in the application groomed during this past season? If no, please indicate the trails that were not groomed and the reason (wildlife closure, logging, etc.) *Attach map if necessary.*

NO; KERR #5, PEACOCK #8, PEACOCK #12, N SUMMIT #13, CRAWFISH #14 DUE TO LACK OF SNOW

4) Were trails groomed that were not identified in the applications? If yes, please indicate trails name, number, miles and frequency. Was permission to groom these additional trails was obtained? (yes or no)

NO

5) If authorized trails were not groomed as a result, please list those trails. *Attach map if necessary.*

N/A

EQUIPMENT

1) Provide date range(s) that grooming was not conducted due to equipment down time. What back-up plan was implemented?

TUCKER DOWN IN JAN FOR A WEEK AND THE WEEK OF FEB 12TH. PB WAS USED

2) Estimate the longevity of primary machine. When will this machine need replacing? 16

FUNDING

1) Amount Spent \$ 24,350.33
2023-2024

2) If you did not spend the total approved funding amount, why not? LACK OF SNOW

3) For this project, please list volunteer hours and type of work (include pre-season hours):

320 HOURS - CUTTING BRUSH, SIGNING TRAILS, PLACING WARMING SHELTERS AND ADMIN TIME

Trails and Map Miles Summary for 2024-2025

1. Show actual grooming information for last winter season.

a. TRUCK MILES List below the round-trip trucking miles for each trip to trail/road for grooming trails.						
Sno-Park Name or Trailhead Name	Map Miles	Trip Miles	Trips per Week	Trips per Season	Total Miles

	CRAWFISH	21.5	43	1	0	0	
<i>TOTAL grooming miles for trail systems listed above:</i>			Actual 23-24		1107 miles		

2. Review the State Parks PDF map (found on <https://parks.wa.gov/find-sno-parks>) for all groomed trail systems in your area. If there are factual errors, please print and make changes in red. The map only needs to be attached if there are changes. Please attach all maps affected by this change.

- Yes, there are changes to trail systems (maps attached).
 No, there are no changes this year.

Trails and Map Miles Plan for 2024-2025

The Government grooming formula: Government operated program (receive \$16.25 per mile groomed, \$2.38 per mile hauling snow groomer and \$0.69 per mile for personnel transport to snow groomer) Formula is based on 16 weeks X estimated miles traveled.

1. For budgeting purposes and to provide a grooming schedule – Estimate expenditures for a 16 week season.

a. TRUCK MILES List below the round trip trucking miles for each trip to trail/road for grooming trails.						
Sno-Park Name or Trailhead Name	Map Miles	Trip Miles	Trips per Week	Trips per Season	Total Miles	
KERR #2	25.5	51	1	8	408

AGREEMENT

In the event funding is recommended by the Snowmobile Advisory Committee for continued grooming of snowmobile trails, or by the Winter Recreation Advisory Committee for continued grooming of non-motorized trails, and approved by State Parks, either an existing agreement will be modified to reflect the approved budget, or a new annual agreement will be executed with the Applicant Agency.

The applicant certifies that, to the best of his/her knowledge, the information in this application is true and correct.

List of Landowner Permission Documents

You are required to obtain written permission from all landowners for State Parks to provide winter recreational services on land which this activity will occur. The landowners must include approval of each groomed trail route and verification of the number of miles of groomed trails. Each landowner must complete the following *Winter Recreation Use Permit*. This must be submitted by **June 1, 2024**.

Land owner permission documents are attached from the following landowners:

Owners	Number of miles
1. USFS	242
2. USFS	35,000
3. DNR (state holds a general Statewide permit)	61
4.	
5.	
6.	
7.	

I hereby certify that all appropriate landowners have been asked for their permission to use their land for winter recreation activities, and that their permission documents have been signed and they are attached with this application or will be received by June 1, 2023.

STATE OF WASHINGTON
 WASHINGTON STATE PARKS AND RECREATION COMMISSION
 1111 Israel Road SW P. O. Box 42650 Olympia, Washington 98504-2650 (360) 902-8500

Date: 3/27/2024
Landowner: USFS
Address: 24 West Chewuch
Winthrop, WA 98862
Land Description: Public Access at sno-parks, and trails for winter recreation

<i>To be completed by applicant.</i>
Project Name: <u>Okanogan County</u>

WINTER RECREATION USE PERMIT

The Washington State Parks and Recreation Commission is required by statute to have landowner permission for winter recreation activities funded by the Commission on public and private lands.

RCW 79A.05.225(1) Plan, construct, and maintain suitable facilities for winter recreational activities on lands administered or acquired by the commission or as authorized on lands administered by other public agencies or private landowners by agreement.

RCW 4.24.200 and RCW 4.24.210 limit landowner liability.

RCW 4.24.200:

*The purpose of **RCW 4.24.200** and **4.24.210** is to encourage owners or others in lawful possession and control of land and water areas or channels to make them available to the public for recreational purposes by limiting their liability toward persons entering thereon and toward persons who may be injured or otherwise damaged by the acts or omissions of persons entering thereon.*

Please sign and date below.

By my signature, I do hereby grant permission for winter recreational activities to occur on my land, that are funded by the Washington State Parks and Recreation Commission, from date signed below to terminate on the 1st day of April of 2024 2025

IF MEETINGS ARE SCHEDULED, WHERE IS THE MEETING HELD (location name and address) October through March, Faith Presbyterian, 200 S Kentucky, East Wenatchee	
WHAT IS THE DAY OF MONTH AND TIME OF MEETINGS (i.e., 1 st Tuesday, 7:00pm) 2nd Tuesday of the Month 7pm	

Detailed Season Summary

2023-2024 SEASON

1) Based on last year's log "Trail Grooming Season Totals", please answer the following:

Date grooming started: January 11 Date grooming ended: March 7 Total hours grooming: 268

Total Miles traveled: 1055

2) Please give approximate percentage of recreationists for each category:

1 % Nordic 1 % Snowshoe % Skijoring 2 % Sledding 90 % Snowmobiling % Snowbiking
6 % Other

TRAIL SYSTEM

1) Total Trail map miles: 98

2) Actual groomed miles for last season: 1055

3) Were all trails identified in the application groomed during this past season? If no, please indicate the trails that were not groomed and the reason (wildlife closure, logging, etc.) *Attach map if necessary.* Stefens Pond Loop is blocked by a narrow gate. Our equipment can no longer access the trail. A new trail listed below resulted in a reduction of approximately 1 mile

4) Were trails groomed that were not identified in the applications? If yes, please indicate trails name, number, miles and frequency. Was permission to groom these additional trails obtained. (yes or no) Yes, The Blewett Pass Interconnect was added last year and a new route between Schaller Rd and Jumpoff Ridge Rd was added this year. This route is the Rocky Ridge Rd

5) If authorized trails were not groomed as a result, please list those trails. *Attach map if necessary.*

SIGN, MAPS, TRAIL BLAZERS, SNOW POLE ORDERS

Download trail maps, signs, and snowpole order forms from our sports program funding webpage, bottom of page. <https://parks.wa.gov/about/grants/sports-funding-program>

FUNDING

1) Amount Spent \$ 48,312.00
2023-2024

2) If you did not spend the total approved funding amount, why not? No. Poor snow conditions and high temperatures shortened our season.

3) For this project, please list volunteer hours and type of work (include pre-season hours):

Administration 120 hrs, Bookkeeping 100 hrs, Repair and Maintenance 150 hrs, Train Maintenance 30 hr. Meetings and travel 40 hours, Snow Park signage and litter removal 8 hrs. Travel for parts and supplies 15 hrs. Plowing snow parks 6 hrs.

Total 429 Hours

Agreement

In the event funding is recommended by the Snowmobile Advisory Committee for continued grooming of snowmobile trails, or by the Winter Recreation Advisory Committee for continued grooming of non-motorized trails, and approved by State Parks, either an existing Purchased Services Contract will be modified to reflect the approved budget, or a new Purchased Services Contract will be awarded through a public bidding process. In some instances, a grant will be awarded provided the Applicant meets Program requirements.

The applicant certifies that, to the best of his/her knowledge, the information in this application is true and correct.

List of Landowner Permission Documents

You are required to obtain written permission from all landowners for WA State Parks and Recreation Commission to provide winter recreational services on land which this project will occur. The landowners must include approval of each groomed trail route and verification of the number of miles of groomed trails. Each landowner must complete the *Winter Recreation Use Permit* (see following pages). This must be submitted either with the application or by the due date.

Land owner permission documents are attached from the following landowners:

Owners	Number of miles
1. Dept of Fish and Wildlife	65.5
2. Dept of Natural Resources	15
3. Chelan County	25
4. Sandy Stefan (Snow Park Only)	.
5. A & T Mathison LLC	0.5
6. Stemilt Irrigation District (Snow Park Only)	
7. USFS	2.0

I hereby certify that all appropriate landowners have been asked for their permission to use their land for winter recreation activities, and that their permission documents have been signed and they are either attached or received by June 1.

2023 Apple Country Snowmobile Club Groomed Route

AMENDMENT TO NONEXCLUSIVE LICENSE AGREEMENT BETWEEN CHELAN COUNTY AND APPLE COUNTRY SNOWMOBILE CLUB FOR TRAIL GROOMING

This Amendment to the Original Agreement dated April 6th, 2015 is made and entered into by and between Chelan County, a Washington Municipality, and Apple Country Snowmobile Club, a Washington Non-Profit Corporation ("Snowmobile Club). The purpose of the amendment is to replace "Exhibit A" as related to the original agreement, with the "Exhibit A" attached to this amendment, illustrating a revised grooming route. The original agreement is on file with Chelan County under the document number 20150427A5-4.

The terms of the original agreement are not altered under this amendment. The grooming route is the only change to the agreement. Under this amendment, Apple Country Snowmobile Club proposes to remove two sections of the original grooming route, and replace them with an alternative grooming route as depicted in "Exhibit A".

This amendment, initiated October 9th, 2023, is effective for perpetuity, or until further amendments are agreed upon by Chelan County and Apple Country Snowmobile Club. The amendment is effective as of the date of the last signature.

WINTER RECREATION USE PERMIT

The Washington State Parks and Recreation Commission is required by statute to have landowner permission for winter recreation activities funded by the Commission on public and private lands.

RCW 79A.05.225(1) *Plan, construct, and maintain suitable facilities for winter recreational activities on lands administered or acquired by the commission or as authorized on lands administered by other public agencies or private landowners by agreement.*

RCW 4.24.200 and RCW 4.24.210 limit landowner liability.

RCW 4.24.200:

*The purpose of **RCW 4.24.200** and **4.24.210** is to encourage owners or others in lawful possession and control of land and water areas or channels to make them available to the public for recreational purposes by limiting their liability toward persons entering thereon and toward persons who may be injured or otherwise damaged by the acts or omissions of persons entering thereon.*

Please sign and date below.

By my signature, I do hereby grant permission for winter recreational activities to occur on my land, that are funded by the Washington State Parks and Recreation Commission, from date signed below to terminate on the 21 day of March of 2025.

RCW 4.24.210

Liability of owners or others in possession of land and water areas for injuries to recreation users—Known dangerous artificial latent conditions—Other limitations

(1) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowners, hydroelectric project owners, or others in lawful possession and control of any lands whether designated resource, rural, or urban, or water areas or channels and lands adjacent to such areas or channels, who allow members of the public to use them for the purposes of outdoor recreation, which term includes, but is not limited to, the cutting, gathering, and removing of firewood by private persons for their personal use without purchasing the firewood from the landowner, hunting, fishing, camping, picnicking, swimming, hiking, bicycling, skateboarding or other non-motorized wheel-based activities, aviation activities including, but not limited to, the operation of airplanes, ultra-light airplanes, hang gliders, parachutes, and paragliders, rock climbing, the riding of horses or other animals, clam digging, pleasure driving of off-road vehicles, snowmobiles, and other vehicles, boating, kayaking, canoeing, rafting, nature study, winter or water sports, viewing or enjoying historical, archaeological, scenic, or scientific sites, without charging a fee of any kind therefor, shall not be liable for unintentional injuries to such users.

(2) Except as otherwise provided in subsection (3) or (4) of this section, any public or private landowner or others in lawful possession and control of any lands whether rural or urban, or water areas or channels and lands adjacent to such areas or channels, who offer or allow such land to be used for purposes of a fish or wildlife cooperative project, or allow access to such land for cleanup of litter or other solid waste, shall not be liable for unintentional injuries to any volunteer group or to any other users.

(3) Any public or private landowner, or others in lawful possession and control of the land, may charge an administrative fee of up to twenty-five dollars for the cutting, gathering, and removing of firewood from the land.

(4)(a) Nothing in this section shall prevent the liability of a landowner or others in lawful possession and control for injuries sustained to users by reason of a known dangerous artificial latent condition for which warning signs have not been conspicuously posted.

(i) A fixed anchor used in rock climbing and put in place by someone other than a landowner is not a known dangerous artificial latent condition and a landowner under subsection (1) of this section shall not be liable for unintentional injuries resulting from the condition or use of such an anchor.

(ii) Releasing water or flows and making waterways or channels available for kayaking, canoeing, or rafting purposes pursuant to and in substantial compliance with a hydroelectric license issued by the federal energy regulatory commission, and making
