

### EXHIBITOR AND SPONSOR BENEFITS

Get one on one interaction with top level state park officials.

As an exhibitor or Sponsor of the Association of Western State Parks Conference (AWSPC) (in association with the National Association of State Parks Directors), you'll have the unique opportunity to spend several days with parks leadership from across the United States.

- Exhibitors and sponsors receive one full registration with your purchase, allowing you to participate in all conference functions side-by-side with the attendees, including speakers, field trips, meals and pre-conference activities over the four day conference.
- Registration, dinner and day one activities will be held in the Expo area giving you high exposure to conference attendees and giving you the opportunity to showcase your products and interact with members of the group in an informal setting.
- The conference can handle large equipment, which means you have the exceptional opportunity to allow conference attendees to engage and interact with your quality products.
- All exhibitors and sponsors will be recognized in the conference booklet so attendees can have the exposure to your name and message throughout the conference and beyond.
