1 INFORMATION ABOUT THE PROCUREMENT

This section describes the purpose of the competitive solicitation and provides information about this procurement, including the potential scope of the opportunity.

1.1 ACQUISITION AUTHORITY

In accordance with RCW Chapter 39.26, the objective of this Request for Proposals (RFP) is to procure the goods and/or services described herein. State agency purchases must follow a competitive solicitation process, ensuring that the contract is awarded to the lowest responsive and responsible bidder.

This process ensures fairness, transparency, and accountability in procurement. By following these guidelines, we seek to obtain the best value for the state while maintaining the integrity of our procurement practices. All bidders must meet specified criteria and demonstrate their ability to fulfill contract requirements. The evaluation will consider both the price and the bidder's ability to perform the contract effectively and efficiently.

1.2 PURPOSE OF THE PROCUREMENT – AWARD A CONTRACT

The purpose of this Competitive Solicitation is to receive competitive bids to evaluate and, as appropriate, award a contract with a qualified fabricator/contractor for State Parks. The contract will be for a fabricator/contractor to fabricate and deliver an aluminum fishing dock, gangway, and handrails for Pearrygin Lake State Park. The components will be delivered to Pearrygin Lake State Park, Winthrop, Washington. State Parks staff will complete all site work and install the components at Pearrygin Lake. Detailed project information can be found on page 3 of the final plans

This contract strictly covers fabrication, and delivery, with separate plans and specifications available as **Exhibit A** on WEBS for the Pearrygin Lake State Park, Fishing Dock Replacement Project.

- Successful completion of at least 10 similar projects in the past three (3) years.
- Manufacturing facility located within 300 miles of the project site.
- Experienced supervisors and skilled workers familiar with the required fabrication techniques.

All fabrication must comply with AWS D1.2 (aluminum) and AWS D1.1 (steel) welding standards, with 100% visual inspection by an AWS Certified Weld Inspector (CWI) at the fabricator's expense.

The fabricator is responsible for pre-assembly, inspection, and verification before delivery to Pearrygin Lake State Park, ensuring proper fit and alignment. Any necessary corrections must be made at no additional cost to the owner.

Proposals will be evaluated based on factors such as pricing, relevant experience, expertise, and fabrication work plan, certification as a veteran-owned and/or Washington small business, and references. For more details, refer to Section 4, "Responses – Required Content, Format and Scoring."

Each bidder's submission of its response confirms the bidder's consent to these terms and conditions.

4 RESPONSES - REQUIRED CONTENT, FORMAT, AND SCORING:

This section describes the information required for the Competitive Solicitation and outlines how your bid will be scored. Additionally, bidders must review and adhere to the Competitive Solicitation requirements, including those detailed in the exhibits, which specify the information that must be provided for a bid to be considered responsive.

4.1 CHECKLIST OF REQUIRED SUBMITTALS

The following list in the table in this subsection identifies the content that must be included in each responsible submission (Bidder's bid response). Any response that does not contain all of these items may be rejected as non-responsive. Each item is discussed in more depth in the sections following the Table.

4.2 (APPENDIX A) – BIDDER’S CERTIFICATIONS, ASSURANCES, AND WAIVER

A FORM is provided for this part of your bid response. See APPENDIX A – Bidder’s Certification, Assurances, and Waiver.

The Certifications must be executed as written in Appendix A. Failure to execute the Appendix in its official form will result in the Bidder’s Proposal being disqualified.

Appendix A – Bidder’s Certifications is evaluated on a pass/fail basis.

The certification **must** be signed and submitted by a duly authorized representative for the bidder.

4.3 (APPENDIX B) – BIDDER’S PROFILE

A FORM is provided for this part of your bid response. See APPENDIX B – Bidder’s Profile.

The Bidder’s Profile provides general information about the bidder and/or its corporate entity. It is important to fully read the Bidder’s Profile, as there may be additional pages that the bidder must self-author and attach, depending on the bidder’s response.

Appendix B – Bidder’s Profile must be substantively completed and is evaluated on a pass/fail basis.

Note: The Bidder’s Profile must be complete. Where there are choices, the bidder **must** check a box.

4.4 (APPENDIX C) – PRICE SHEET TABLE

A FORM is provided for this part of your bid response. See APPENDIX C – Price Sheet.

- **Appendix C – Price Sheet Table is segmented into two parts:**
 - Appendix C - Table 1 – SPECIAL TERMS FOR BIDDER’S PRICING
 - Appendix C - Table 2 – BIDDER’S PRICING QUOTE

Award is made to the responsive and responsible bidder and who has the highest score and the lowest price.

All costs should be rolled in, except for sales tax. The bidder's **total amount** must factor in all cost drivers such as travel, shipping, packaging, and material costs. Washington State government agencies do pay sales tax, but it should appear separately on the invoice and not as part of the total amount on the Price Sheet provided by the bidder.

Failure to identify all costs in accordance with the instructions in this Competitive Solicitation is sufficient grounds for disqualification.

This part of the bid response is **scored up to 40 points** with a pro rata share for higher-cost bids. For example, if three bids are received (A @ \$25, B @ \$26.50, C @ \$50):

- Bid A gets 40 points ($25/25 = 1.0 \times 40 \text{ points} = 40$),
- Bid B gets 37.72 points ($25/26.50 = .943 \times 40 \text{ points} = 37.72$),
- Bid C gets 20 points ($25/50 = .5 \times 40 \text{ points} = 20$).

Inclusive Pricing: Bidders must identify and include all cost elements in their pricing. If awarded a contract, the total price for the goods and/or services shall be the bidder's price as submitted. Except as provided in the contract, there shall be no additional costs of any kind.

Credit Cards (P-Cards): If awarded a contract, the total price for the goods and/or services shall be the same regardless of whether purchasers make payment by cash, credit card, or electronic payment. The bidder shall bear any processing or surcharge fees associated with the use of credit cards or electronic payment.

5 RESPONSES – PREPARATION, SUBMISSION REQUIREMENTS AND PREFERENCES

This section identifies how to prepare and submit your bid for this Competitive Solicitation. By responding to this Competitive Solicitation and submitting a bid, bidders acknowledge having read and understood the entire Competitive Solicitation and accept all information contained within this Competitive Solicitation.

5.1 SUBMISSION OF RESPONSES

Bids must be complete, legible, signed, and follow all instructions stated in the Competitive Solicitation (including the appendices, and exhibits). Unless otherwise specified in writing by documents included with an electronic bid must be prepared in MS Word, MS Excel, or Adobe PDF. Where required to do so, bidders may sign using either a physical or electronic signature.

Bidder's electronic bid must be emailed to the Procurement Coordinator at the following email address: BidBox@parks.wa.gov. The email subject line should include the bid identification number, "Bid," and your company name (e.g., "**RFP # Bid ACME**"). Ensure the email, including attachments, is less than 30MB. It's recommended to keep it under 25MB. Zipped files are not accepted. All responses and any accompanying documentation become the property of State Parks and will not be returned.

State Parks will send an automatic acknowledgment of bid receipt. This acknowledgment does not determine the bid's responsiveness. If the bidder does not receive an acknowledgment within a reasonable time, it is the bidder's responsibility to contact State Parks for confirmation.

VERIFICATION: Bidders are welcome to contact the State Parks Contracts and Grants Program team (CGP) to see if your bid response was received, however, this process works best if there's enough time between the date and time submitted and the bid's due date deadline. Send verification requests to:

contracts@parks.wa.gov

The email subject line should include the bid identification number, "Verification," and your company name (e.g., "**RFP # Verification ACME**")

CAUTION: Submit your bid response early as a safeguard against any technological slow-down or delays. Bids received after the deadline for any reason, no matter the cause, regardless of responsibility, will be rejected.

--- Late submissions will be considered non-responsive and may be rejected. ---

5.2 RESPONSE LAYOUT REQUIREMENTS

The Bidder's bid response should be logically assembled so that the evaluators can easily understand what they are reading and relate what they are reading back to the competition document's requirement. Evaluators appreciate landmarks or references using the competition document's section numbers and section titles. One mistake that Bidders make is that they have a previously prepared statement or materials that don't precisely relate to the competition document's individual requirement (it wasn't tailored or designed for the requirement), or that the previously prepared statement (or material) is supposed to relate to two or more requirements of the competition document. That can be confusing and may result in a negative impact to the evaluation of the Bidder's bid response.

NOTE: If evaluators cannot easily identify the statement/material or cannot easily link it to the competition's section reference, requirement, or question the statement/material may be misunderstood, disregarded, or may negatively impact the evaluation of the response.

5.3 WASHINGTON STATE PROCUREMENT PRIORITIES & PREFERENCE

The following Washington State procurement priorities and preferences apply to this Competitive Solicitation:

- **WASHINGTON SMALL BUSINESSES AND/OR CERTIFIED VETERAN-OWNED BUSINESSES.** In furtherance of Washington's business inclusion goals State Parks will evaluate bids for best value and will provide a bid preference in the amount of 20 points to any bidder who certifies.
 - **WASHINGTON SMALL BUSINESS.** Bidder is a Washington Small Business as defined in RCW 39.26.010. To qualify as a Washington Small Business, Bidder must meet three (3) requirements:

A principal office or principal place of business is a firm's headquarters where business decisions are made and the location for the firm's books and records as well as the firm's senior management personnel.
 - Size. Bidder must be owned and operated independently from all other businesses and qualify as one of the following:
 - Bidder Qualifies as a Small Business – i.e.,

6 EVALUATION AND AWARD

This section identifies how bids for this Competitive Solicitation will be evaluated.

6.1 ORAL PRESENTATION (OPTIONAL)

Oral presentations, if deemed necessary by State Parks, may be used to select the winning response. State Parks reserves the right, at its sole discretion, to invite the top-scoring firms from the written evaluation to participate in an oral presentation. The top-scoring firms will be contacted to schedule a date, time, and location for the presentation. All key personnel must participate in the oral presentation. The Procurement Coordinator will reach out to the bidder(s) to arrange a date and time and will provide further instructions. Any commitments made by the Contractor during the oral presentation will be considered binding.

There will be a maximum of 100 points awarded based on bidder's demonstration. All points will be cumulative. The oral presentation will determine the apparently successful bidder.

6.2 ORAL PRESENTATIONS EVALUATION CRITERIA (OPTIONAL)

Oral Presentation Evaluation Criteria	Maximum Possible Point Total
Organization: - Management Plan	25 points
Project Management: - Project Scheduling	25 points
Expertise - Understanding of this project	25 Points
Experience - Relevant Past Projects	25 Points
TOTAL:	100 Points

Points for Oral Presentation will be determined according to the following guidelines, and weighted appropriately:

Bidder demonstrates renowned experience (5 points)	Bidder demonstrates considerable experience (4 points)	Bidder demonstrates solid experience (3 points)	Bidder demonstrates adequate experience (2 points)	Bidder demonstrates limited experience (1 points)	Bidder demonstrates no experience (0 points)

6.3 BID RESPONSIVENESS

All Responses received by the stated deadline will first be reviewed by the Procurement Coordinator to ensure that the Responses appear to contain the information required in this competition document. Only Bid Responses that meet the requirements will be forwarded for further substantive review. Any Response that does not appear to contain all of the required information or any Bidder who does not meet the mandatory qualifications will be rejected as non-responsive and will be removed from further evaluation. However, the Procurement Coordinator has the right to waive minor informalities, and/or seek clarification

if confused provided that neither alters the content of the Response. A bidder's failure to provide requested clarification within five (5) business days may result in disqualification.

State Parks reserves the right to: (1) Waive any informality (State Parks reserves the right to determine the actual level of Bidders' compliance with the requirements specified in this competition and to waive informalities in a bid). An informality is an immaterial variation from the exact requirements of the competition, having no effect or merely a minor or negligible effect on quality, quantity, or delivery of the supplies or performance of the services being procured.; (2) Reject any or all bids, or portions thereof; (3) Cancel the Competitive Solicitation and may re-solicit bids; and/or (4) Negotiate with the lowest responsive and responsible Bidder(s) (or Bidder with the most points) to determine if such bid can be improved. If, after a reasonable period of time, State Parks, in its sole judgement, cannot reach agreement on acceptable Contract terms with such bidder, State Parks may suspend negotiations and undertake negotiations with the next highest scored responsive, responsible bidder as determined by the evaluations.

6.4 BIDDER RESPONSIBILITY ANALYSIS

For responsive bids, State Parks must determine whether the bidder is a 'responsible bidder.' In determining bidder responsibility, State Parks must consider the following statutory elements:

- a) The bidder's ability, capacity, and skill to perform the contract or provide the service required;
- b) The bidder's character, integrity, reputation, judgment, experience, and efficiency;
- c) Whether the bidder can perform the contract within the time specified;
- d) The bidder's performance quality pertaining to previous contracts or services;
- e) The bidder's compliance with laws relating to the contract or services;
- f) Whether, within the three-year period immediately preceding the date of the Competitive Solicitation, the bidder has been determined by a final and binding citation and notice of assessment issued by the Washington State Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW; and
- g) Such other information as may be secured having a bearing on the decision to award the Contract.

See RCW 39.26.160(2)(a)-(g). In addition, State Parks may consider the following:

- Best Value Criteria:
 - a) Whether the bid satisfies the needs of the state as specified in the solicitation documents;
 - b) Whether the bid encourages diverse contractor participation;
 - c) Whether the bid provides competitive pricing, economies, and efficiencies;
 - d) Whether the bid considers human health and environmental impacts;
 - e) Whether the bid appropriately weighs cost and noncost considerations; and
 - f) Life-cycle cost.

See RCW 39.26.160(3)(a)-(f).

-
- Financial Information: State Parks may request financial statements, credit ratings, references, record of past performance, clarification of bidder's offer, on-site inspection of bidder's or subcontractor's facilities, or other information as necessary to determine bidder's capacity to perform and the enforceability of bidder's contractual commitments. Failure to respond to these requests may result in a bid being rejected as non-responsive.
 - References: State Parks reserves the right to use references to confirm satisfactory customer service, performance, satisfaction with service/product, knowledge of products/service/industry and timeliness. Any negative or unsatisfactory reference can be reason for rejecting a bidder as non-responsible.

6.4.1 REJECTED BIDS/BIDDERS & REJECTION NOTIFICATION & REJECTION RESPONSE

This Rejection Response process is not governed by Washington's Administrative Procedures Act (APA), RCW 34.05, nor does it confer any additional rights above and beyond what the Bidder already enjoys as a taxpayer. The purpose of this process is to allow State Parks to correct evaluation process errors and problems before a contract is executed.

State Parks will perform a preliminary evaluation which is largely procedural. See Section 6.7.1 - Preliminary Evaluation (Procedural) and all of this section's subparts.

If State Parks determines that a bid or Bidder must be rejected under 6.7.1 and/or subparts, State Parks will send a rejection notification to the email address provided by the Bidder in the Bidder's Profile form (Appendix B). State Parks bears no responsibility for any issue or technological issue preventing actual receipt of the notification to the rejected Bidder.

Two Business-day Response Period: The Bidder may refute the rejection. The rejected Bidder must respond to the rejection within two (2) business-days following the day of rejection notification.

- The Bidder's Rejection Response **must be sent to** contracts@parks.wa.gov.
- Subject line must include the bid's identification number and "Rejection". See the first page or footer for the bid's identification number. (e.g., "**RFP # Rejection**")
- The Bidder must explain how and why State Parks erred in rejecting the Bidder's bid under Section 6.7.1 - Preliminary Evaluation (Procedural).

State Parks will consider the rejected Bidder's response, and if in State Parks' opinion, it determines error on our part, the bid will be moved forward to further evaluation. If State Parks determines it did not err, the bid will not be moved forward for evaluation.

The process detailed in this section does not supersede or displace the DEBRIEF process or PROTEST process. A Bidder may after the Announcement of Apparent Successful Bidder is announced, request a Debrief, and a Debrief is a prerequisite for a Protest. See Section 7.3 – Debriefing of Bidders and Section 7.4 – Protests for expanded details about the process and what State Parks will recognize as legitimate.

6.5 GENERAL EVALUATION PROVISIONS

The evaluation process is designed to award a contract to the Bidder with the best value based on the selected evaluation criteria.

Evaluations of subjective material will likely be conducted by the customer program requiring the goods/services or an evaluation team. State Parks has sole discretion over the selection

of evaluators and will make such selections based on each potential evaluator's availability, knowledge, skills, and experience with the subject matter. Evaluator(s) will independently grade and score or consensus score the Bidder's material based on their own independent judgment, and in accordance with the format noted herein for each respective requirement. Evaluator(s) will only evaluate the material contained in the Responses and will not incorporate outside material into their determinations. The evaluator(s) has sole discretion over his or her final scores.

Bidders should take every precaution to assure that all answers are clear, complete, and directly responsive to each specific requirement.

6.6 EVALUATION OF COMPLETION BY DATE

State Parks reserves the right to require that the Apparent Successful Bidder (ASB) provide within three (3) business days after request, satisfactory evidence of ability to have the services performed and completed by: not used. Failure to provide satisfactory evidence may be grounds for submittal rejection.

6.7 EVALUATION STEPS

6.7.1 Preliminary Evaluation (Procedural)

- a) Did the bid response arrive by the due date (deadline) to the proper location? Pass/Fail.
- b) Did the Bidder, on behalf of the Bidder's Firm, appear to bind the company to the commitment of the competition (manifestation of assent)? Pass/Fail. Acceptable manifestations of assent may include:
 - Is the bid signed by an individual (a person and NOT a group or team) electronic, with a wet-ink signature albeit provided as a PDF scan, photo, or other similar visual copy representation?
- c) Did the Bidder appear to provide and complete the information requested? Pass/Fail.
- d) Does the Bidder appear to accept the State Parks terms and conditions without reservation? Pass/Fail.
- e) Does the Bidder, under penalty of perjury, certify it is not a Wage violator (see Certification - Wage Theft Prevention)? Pass/Fail.
- f) Does the Bidder, under penalty of perjury, certify it supports worker's rights (see Certification - Supporting Workers' Rights)? Pass/Fail.
- g) If submittals were required, were the submittals provided and do they appear to be complete so that the bid could be compared to other conforming bids? Pass/Fail.
- h) If any bid is rejected at this stage, send a Rejection Letter to the Bidder's email address provided by the Bidder in Appendix B – Bidder's Profile. See also Section 6.4.1 – Rejected Bids/Bidders & Rejection Notification & Rejection Response. Allow the Rejection process to run its course and then for all remaining responsive bids, advance the bid(s) to Section 6.7.2 – Substantive Evaluation: Phase 1.

6.7.2 Substantive Evaluation: Phase 1

- a) Preferences and penalties: Preferences and penalties that are required by law, rule, or competition document will be applied to bid pricing. Preference reduces the Bidder's stated price by the amount of the preference and is an advantage to the Bidder. A penalty increases the Bidder's stated price by the amount of the penalty and is a disadvantage to the Bidder. *Preferences and penalties are applied to the pricing for evaluation purposes only but are not applied for purchasing purposes if awarded the contract.*

-
- Determine Reciprocity under [RCW 39.26.271](#), [WAC 200-300-075](#), [DES Reciprocity Map \(list\)](#). Determine the business address from which the bid was submitted. Check the DES Reciprocity Map (list) to determine, for evaluation purposes only, if the bid's pricing must be increased or rejected.
 - Determine Polychlorinated Biphenyls (PCB)
- b) If submittals were required, were the submittals provided and were they materially complete so that the material aspects of the bid response can be compared to other conforming bids? Pass/Fail. If a points methodology is being used instead of a pass/fail methodology, then determine the points.
 - c) Determine the low bid; use subtotal value. If a points methodology is being used instead of low bid methodology, then determine the points.
 - d) References: If not waived by State Parks, do the references reflect good customer service and good product quality, and no meaningful apprehension from using this Firm in the future? Pass /Fail. If a points methodology is being used instead of a pass/fail methodology, waiver is not allowed, State Parks must determine the points.
 - e) Responsibility of the Bidder: In determining the responsibility of the Bidder, State Parks may also consider: [RCW 39.26.160 Bid awards—Considerations—Requirements and criteria to be set forth—Negotiations—Use of enterprise vendor registration and bid notification system](#). If considered then Pass/Fail.
 - f) Upon determining the lowest priced responsive and responsible Bidder (or responsive and responsible Bidder with the most points), perform the Announcement of ASB UNLESS the Substantive Evaluation: PHASE 2 (optional) is used.

6.7.3 Substantive Evaluation: Phase 2 (Optional)

- a) Following PHASE 1 if State Parks so chooses the lowest priced responsive and responsible Bidder (or responsive and responsible Bidder with the most points) may be required to appear in some form and/or present additional materials to validate to the State Parks that the services or items offered meets the State Parks' needs and meets all other competition terms & conditions. If State Parks requests materials it deems necessary to validate the services or item offered, the materials must be provided within five (5) business days or face possible elimination. The Bidder WILL NOT be allowed to materially change its bid response and the examination will be limited to the validation of the item and/or services offered. If State Parks in its sole discretion determines that the Bidder's bid does not meet the State Parks needs and/or other competition terms & conditions, the Bidder's bid response will be rejected and the next lowest responsive and responsible (or responsive and responsible Bidder with the most points) bid response may be considered. This process may repeat itself until an Apparent Successful Bidder (ASB) is determined or the competition is cancelled.
- b) Upon determining the lowest priced responsive and responsible Bidder (or responsive and responsible Bidder with the most points), perform the Announcement of ASB.

6.8 SELECTION OF APPARENT SUCCESSFUL BIDDER

Note: The Bidder meeting all responsive criteria and having the lowest costs (or, highest final cumulative score) will be selected as the Apparent Successful Bidder (ASB).

State Parks will notify the Apparent Successful Bidder, and the non-successful Bidders, via email to the address provided in the Bidder's Profile – Appendix B - Primary Contact Person for Questions/Contract Negotiations.

7 ANNOUNCEMENT OF ASB, PUBLIC DISCLOSURE, DEBRIEF, AND PROTESTS

This section provides information about the announcement of the apparent successful bidder, public disclosure, and details the applicable requirements for complaints, debriefs, and protests.

7.1 ANNOUNCEMENT OF APPARENT SUCCESSFUL BIDDER (ASB)

Following the bid evaluation, State Parks will announce to all bidders the Apparent Successful Bidder (ASB) via email to the address provided in the Bidder's Profile - Appendix B. The Announcement of ASB starts a clock, and it is the bidder's responsibility to provide a working email. State Parks accepts no responsibility for the bidder's actual receipt of the Announcement of ASB.

The Announcement of Apparent Successful Bidder means State Parks currently believes the ASB is the lowest cost responsive and responsible bidder (or the bidder with the most points), but it is not a guarantee of a contract, State Parks Purchase Order, or purchase. State Parks reserves the right to reevaluate the ASB's bid to confirm it is as responsive, responsible, and successful as initially thought. ASBs should not commit funds, resources, or effort before receiving an executed contract and/or State Parks Purchase Order. Any premature action taken before contract execution is at the bidder's own risk and may result in no contract being executed if it causes disruption for State Parks.

Following the announcement of the ASB, bidders may request a debrief conference. The bidder will have a short period to request the debrief conference, which is a mandatory prerequisite for any bidder desiring to protest the award.

7.2 PROCUREMENT RECORDS DISCLOSURE

Procurement records for this competition cannot be released or viewed until after the Announcement of Apparent Successful Bidder (ASB); see Section 7.1 – Announcement of Apparent Successful Bidder. A Bidder may request copies of the competition records, including the solicitation and evaluation documents, or may inspect the competition records.

State Parks has a [Public Records Officer](#) and webpage for this purpose. If you'd like copies of these records, please click on the link(s) below for agency instructions.

- [Public Records Request Info](#)
- [Public Records Center](#)

When completing your request, it is helpful to identify it clearly to avoid delays. The email subject line should include the bid identification number and project name (e.g., "**RFP # Procurement Name**")

7.3 DEBRIEFING OF BIDDERS

Following the Announcement of Apparent Successful Bidder, an unsuccessful bidder may request a debriefing conference. The request for a debriefing conference must be received by the Procurement Coordinator within **three (3) business days** following the day of the Announcement of Apparent Successful Bidder. State Parks will then schedule a debriefing conference to review the bidder's bid (not other bids).

7.3.1 How To Request A Debrief Conference

Requests for debriefs should be addressed to the Procurement Coordinator via email to contracts@parks.wa.gov. The email's subject line must include the competition's number and the word "Debrief." (e.g., "**RFP # Debrief**") Failure to mark the email as instructed may result in the debrief being overlooked or misunderstood.

7.3.2 Debrief Meeting, Discussion, And Delay

Discussion will be limited to critiquing the requesting bidder's response. Comparisons with other responses or evaluations will not be allowed. Debriefing conferences, scheduled for a maximum of 30 minutes, may be conducted in person, via teleconference, or by phone. State Parks intends to hold all debriefings within a few days of the Announcement of Apparent Successful Bidder. The requesting bidder must have a representative available if they are unavailable. Bidders not available for the scheduled debriefing forgo their opportunity for debriefing and filing a protest (see section titled Protests).

7.3.3 Debrief Is A Prerequisite For Protest

A Debriefing Conference is a prerequisite to Protesting the Competition.

7.4 PROTEST

7.4.1 General:

This protest process is not governed by Washington's Administrative Procedures Act (APA), RCW 34.05, and does not confer any additional rights beyond those the bidder already has as a taxpayer. The purpose of this process is to allow State Parks to correct evaluation process errors and problems before a contract is executed.

Only a bidder who has participated in a debriefing conference may file a protest regarding this competition. The bidder must strictly adhere to the protest process outlined herein; failure to do so may result in a summary determination that the protest is without merit, without an opportunity to cure.

7.4.2 Form And Content:

All protests must:

- Be in writing.
- The protest must state and clearly articulate the grounds for the protest (see Section 7.4.3 – Content Limitations and 7.4.5 – Grounds Which May Be Protested) with specific facts and complete statements of the action(s) being protested.
- A description of the relief or corrective action being requested should also be included.
- All protests shall be addressed to the Procurement Coordinator.

7.4.3 Content Limitations:

State Parks does not currently mandate any page limitation. However, the protest must be clearly articulated, succinct, organized, logical, and professional.

State Parks will summarily reject protests that:

- fail to state and clearly articulate at least one of the three GROUNDS provided in Section 7.4.5 – Grounds Which May Be Protested;
- contain rants, attacks, and/or disparaging or abusive remarks;
- include multiple attachments or references to material (document dumping, document overload); OR,
- appear to require the reader to weigh through voluminous amounts of material to verify the argument being made or piece together voluminous amounts of material to decipher the argument being made.

7.4.4 Submission Of Protests

All protests must be submitted within five (5) business days after the day of the debriefing conference. Bidders must send all protests to contracts@parks.wa.gov. The email's subject line must include the competition's number and the word "Protest." (e.g., "**RFP # Protest**") Failure to mark the email as instructed may result in the protest being overlooked or misunderstood and not considered. Include the name of the protesting bidder, mailing address, phone number, and the name of the individual responsible for the submission of the protest.

7.4.5 Grounds Which May Be Protested

- Conflict of Interest on the part of State Parks staff.
- Errors in computing the score.
- Non-compliance with procedures described in the procurement document.

Protests will be rejected as without merit if they do not clearly and convincingly meet one of the GROUNDS above and/or seems to address issues such as:

- An evaluator's professional judgment on the quality of a response, or
- State Parks' assessment of its own and/or other agencies' needs or requirements, or,
- Issues, concerns, or requests for changes that could have been addressed during the Question-and-Answer Period, Complaint Period, or by a bidder rejected under Section 6.4.1 but failed to use the Rejection Response period timely.

7.4.6 Manager Assignment And Review

Upon receipt of a protest that meets the requirements described herein, a protest review will be held by State Parks. State Parks will assign a Manager who was not involved in the procurement. The Manager is responsible for reviewing and investigating the Bidder's written protest and may meet with agency staff or the agency program that was involved in the competition. The Manager may consider the record and all reasonably available facts and will issue a protest determination in writing within fifteen (15) business days from receipt of the protest. If additional time is needed, the Manager will notify the protesting party of the need for additional time within 15 business days from receipt of the protest.

If the protest affects another Bidder, State Parks may share the protest with them and invite their input.

Standard of Review: The Bidder must clearly and convincingly demonstrate that State Parks erred.

7.4.7 Protest Determinations And Findings

The Manager's protest determination may:

- Find the protest lacking in merit and reject the protest;
- Find only technical or harmless errors in State Parks' acquisition process and determine State Parks to be in substantial compliance and reject the protest; OR
- Find merit in the protest and provide State Parks options which may include:
 - Correcting the errors and re-evaluating all responses;
 - Canceling the competition and possibly for a new competition to take place; OR
 - Making other findings and determining other courses of action as appropriate.

If State Parks rejects the protest, State Parks will enter into a contract with the Apparent Successful Bidder no sooner than two business days after issuance of the protest determination by email to the protesting party at the email address indicated on the party's bid documents. For the purposes of timing, the date the protest determination is sent to the protesting party shall not count.

7.4.8 Agency Decision is final

The Manager's protest determination constitutes the agency's final decision regarding the protest. If the protesting party disagrees with the protest determination, the Bidder may seek judicial relief in the Washington Superior Court for Thurston County within 2 business days of the issuance of the protest determination.

8 ADDITIONAL GENERAL PROVISIONS FOR ALL BIDDERS

Specific restrictions apply to contracting with current or former state employees pursuant to chapter 42.52 of the Revised Code of Washington (RCW). Those restrictions also apply to any Bidder submitting a Response under this competition who has hired a former state employee. Bidders should familiarize themselves with the requirements prior to submitting a Response that includes current or former state employees.

Bidders may only rely on the competition and amendments posted on WEBS. Any other communication, verbal or written, is nonbinding on State Parks.

8.4 RESPONSIVENESS OF BIDDER'S RESPONSE

Each bidder is notified that failure to comply with any part of the solicitation may result in their response being rejected as non-responsive. Rejected responses will not be further evaluated. State Parks will not be liable for any errors or omissions in the bidder's response. Bidders cannot alter their response after the submission deadline.

It is the bidder's responsibility to read, understand, and follow all instructions in the competition documents and any amendments. State Parks reserves the right to waive any minor irregularity in a response but is not required to do so.

8.5 CLARITY AND CLARIFICATIONS

State Parks will make the sole determination of clarity and completeness of the Responses. No Response may be altered or amended after the submission deadline; however, State Parks reserves the right to contact a Bidder for clarification of responsive contents if necessary. NOTE: This clarification process is only used to clarify information that was contained within the Response; it is not a means of providing or incorporating new information that was otherwise not initially included. Evaluators have no obligation to seek or request clarification; they may evaluate the response as provided.

8.10 STATEWIDE VENDOR PAYMENT REGISTRATION

Bidders are urged to be registered in the Statewide Vendor Payment system, prior to submitting a request for payment under this Contract. The Washington State Office of Financial Management (OFM) maintains a central Bidder registration file for Washington State agencies to process Bidder payments.

To obtain registration materials go to the Statewide/Vendor Payee Services website at <https://ofm.wa.gov/it-systems/statewide-vendorpayee-services> . The registration form has two parts. Part 1 is the information required to meet the above registration conditions. Part 2 allows State Parks (and other state agencies) to pay invoices electronically with direct deposit. This is the most efficient method of payment, and vendors are encouraged to sign up.

8.11 WEBS REGISTRATION

Individuals and firms interested in state contracting opportunities with the awarding agency or any state agency should register for competitive solicitation notices at the Washington Electronic Business Solution (WEBS) [WEBS Registration](#). Note: There is no cost to register on WEBS.

8.12 POLYCHLORINATED BIPHENYLS (PCBS) NOTICE

Polychlorinated biphenyls, commonly known as PCBs, have adverse effects on human health and the environment. Accordingly, the State of Washington, through its procurements of goods/services, is trying to minimize the purchase of products with PCBs and to incentivize its contractual vendors to sell products and products-in-packaging without PCBs.

8.13 SMALL AND DIVERSE BUSINESS

State Parks, in accordance with Washington law, encourage small and diverse businesses to compete for and participate in state procurements as contractors and as subcontractors to awarded bidders.
